AC Tech Passion for Sensors

Walker Industrial is an automation solution provider.

We partner with our clients to help them improve productivity, product quality, and machine safety.

SENSORS

Color Mark Sensors
Cylinder Position Sensors
Fiber Optics/Glass & Plastic
Flow/Pressure Sensors
Intrinsically Safe Sensors
Laser Gauging Systems
Laser Sensors
Length Sensors
Limit Switches
Magnetic Pickups
Measuring Light Curtains
Parts Verification Systems
Photoelectric Sensors
Proximity Sensors
Slot & Ring Sensors
Ultrasonic Sensors
Vision Sensors

INSTRUMENTATION

AC Power Line Monitors
Ammeters/Voltmeters
Counters
Data Acquisition
Din Rail Mounted Relays
Flat Screen Displays
Industrial Computers/Monitors
Intrinsically Safe Barriers
Large LED Displays
Multi-Loop Controllers
Operator Interfaces (HMIs)
Panel Meters
PLCs & Peripherals
Process Timers
Rate Meters
Signal Conditioners
Timers

SAFETY

Anti-Tiedown Sensors
Foot Switches
Industrial Safety Edges
Joystick Controls
Machine Guard Systems
Magnetic Safety Switch
Non-Contact Safety Sensors
Perimeter Guard Systems
Rope Pull Switches
Safety Interlock Switches
Safety Light Curtains
Safety Mats
Safety Modules
Safety Rated Limit Switches
Trapped Key Interlock Switches

NETWORKS

Bus Networks
Cellular RTUs
Devicenet Junction Boxes
Devicenet Sensors
Distributed I/O
Ethernet Switches
I/O Modules
Industrial Ethernet
Industrial RTUs
Intelligent Bus Station
Network Cabling
Power Over Ethernet
RFID Networks
Routers & Modems
Wireless Networks

PROCESS CONTROL

Data Acquisition
Flow/Pressure Sensors
Infrared Thermocouples
Liquid Level Sensors
Process Controllers
Remote Terminal Units (RTUs)
Temperature Controllers
Thermocouples & RTDs

LIGHTING & INDICATION

Audible Signaling Devices
Beacons
Fire Alarms
General Purpose E-Z Lights
Hazardous Area Indication
Industrial Work Lights
LED Lighting
Pick to Light Systems
Stack & Tower Lights
Strobe Lights
Vision Lighting
Visual Signals

MOTION CONTROL

Absolute Encoders
Electric Cylinders
Encoders
Guided Screw Actuators
Linear Actuators
Linear Motors & Drives
LDTs
Multi-Axis Controls
Pneumatic Cylinders
Precision Gearheads
Servo Drives & Motors
Stepper Drives & Motors

MOTORS & DRIVES

AC Motors & VFDs
Brake Motors
Clutch/Brake Modules
DC Drives & Motors
Gearmotors/Speed Reducers
HVAC Drives
Inverter Duty Motors
Motor Control Centers
Power Transmission
Signal Isolators
Soft Start Controls
Vector Drives

ELECTRICAL SUPPLIES

Circuit Breakers/Fuses
Contactors & Starters
Panel Boards/Switchboards
Pilot Lights/Pushbuttons
Power Supplies/Line Filters
Relays
Switchgear
Terminal Blocks
Transformers
UPS Systems
Wire and Cable/Cordsets

Walker Industrial provides the following services:

- Application assistance from our engineering staff
- Technical support on all products
- Service on every product we sell
- Training - both on and off site
- Stocking Distributor for leading automation manufacturers
- Large inventory for same day shipment on stock products
