

Technical drawing of a mechanical assembly in cross-section. The drawing shows a central shaft with a spring and various components. Dimensions are provided in inches.

Key dimensions and features:

- Overall width: 9.93
- Central shaft diameter: $\phi .767$
- Shaft diameter at the right end: $\phi .6250$ and $\phi .6245$
- Distance from the left end to the center of the spring: 1.158
- Distance from the center of the spring to the right end: 1.684
- Distance from the left end to the center of the spring: 1.12
- Distance from the center of the spring to the right end: 1.12
- Distance from the left end to the center of the spring: 1.38 OVER LEADS
- Distance from the center of the spring to the right end: 1.75 STACK
- Distance from the center of the spring to the right end: 1.500
- Distance from the left end to the center of the spring: .656
- Distance from the center of the spring to the right end: .656
- Distance from the left end to the center of the spring: .159
- Distance from the center of the spring to the right end: .120
- Distance from the left end to the center of the spring: .250
- Distance from the center of the spring to the right end: .076 RUNNING CLEARANCE
